

## Index to Volume 16: Subject

### Abuse

- Public health nursing in Children's Protective Services (Smart) 390

### Adaptation, psychologic

- Social support provided by public health nurses and the coping of first-time mothers with child care (Tarkka et al) 114

### Adolescence

- The adolescent parenting program: improving outcomes through mentorship (Flynn) 182
- Intergenerational concepts of adolescent sexuality: implications for community-based reproductive health care with Haitian immigrants (DeSantis et al) 102
- Issues in balancing teenage clients' confidentiality and reporting statutory rape among Kansas Title X Clinic staff (Miller et al) 329

### Africa

- An oral health promotion module for the primary health care nursing course in Acornhoek, South Africa (Ogunbodede et al) 351

### African Americans

- African American women's experiences with physical activity in their daily lives (Nies et al) 23

### Aged

- The effects of a walking exercise program on physical function and emotional state of elderly Korean women (Shin) 146
- Predictors of health promotion lifestyle among three ethnic groups of elderly rural women in Taiwan (Wang) 321
- Use of the SF-36 to identify community dwelling rural elderly at risk for hospitalization (Benjamin-Coleman and Alexy) 223

### Alcohol

- Tracking of avoidance of alcohol use and smoking behavior in a fifth grade cohort over three years (Felton et al) 32

### Alternative medicine

- Integrative health care: the revolution is upon us (Schroeder and Likkell) 233 (Editorial)

### Appalachian Mountains

- "God brought all these churches together": issues in developing religion-health partnerships in an Appalachian community (Simpson and King) 41

### Archives

- Saving our stories (Abrams) 77 (Editorial)

### Birth

- Residential status and birth outcomes: is the rural/urban distinction adequate? (Hulme and Blegen) 176

### Breastfeeding

- Health-enhancing behaviors correlated with breastfeeding among a national sample of mothers (Pesa and Shelton) 120

### British Columbia; see Canada

### Canada

- Building community health nursing in the People's Republic of China: a partnership between schools of nursing in Ottawa, Canada, and Tianjin, China (Edwards et al) 140
- From rhetoric to reality: the changing face of public health nursing in Southern Ontario (Rafael) 50
- Women's health and the practice of public health nurses in northern British Columbia (Leipert) 280

### Career choice

- Bringing the population into focus: a natural development in community health nursing practice. Part I (Diekemper et al) 3
- Sharpening the focus on populations: an international community health nursing approach. Part II (Diekemper et al) 11

### Caregivers

- The effectiveness of health promotion counseling to family caregivers (Chen) 125

### Caring

- A case study on expanding the concept of caring from individuals to communities (Smith-Campbell) 405

### Child

- Public health nursing in Children's Protective Services (Smart) 390
- Tracking of avoidance of alcohol use and smoking behavior in a fifth

- grade cohort over three years (Felton et al) 32

### Child care

- Social support provided by public health nurses and the coping of first-time mothers with child care (Tarkka et al) 114

### Children's Protective Services

- Public health nursing in Children's Protective Services (Smart) 390

### China

- Building community health nursing in the People's Republic of China: a partnership between schools of nursing in Ottawa, Canada, and Tianjin, China (Edwards et al) 140
- The effectiveness of health promotion counseling to family caregivers (Chen) 125

### Cholesterol

- A cholesterol intervention program for public health nurses in the rural Southeast: description of the intervention, study design, and baseline results (Keyserling et al) 156

### Chronic disease

- Wellness profile of midlife women with a chronic illness (Paul and Weinert) 341

### Churches

- A comparison of urban versus rural experiences of nurses volunteering to promote health in churches (Chase-Ziolek and Striepe) 270
- Describing parish nurse practice using the Nursing Minimum Data Set (Coenen et al) 412
- "God brought all these churches together": issues in developing religion-health partnerships in an Appalachian community (Simpson and King) 41

### Client Encounter Form

- The Client Encounter Form: conceptual development, reliability analysis, and clinical applications (Bear and Holcomb) 79

### Coalition

- Perceived ownership in a community coalition (Armbruster et al) 17

### Collaborative practice

- Interprofessional education for undergraduate students (Russell and Hymans) 254

### Collective capacity

- A model for building collective capacity in community-based

- programs: the Elderly In Need Project (Moyer et al) 205
- Colonias settlements**  
Health and quality of life within Colonias settlements along the United States and Mexico border (Davidhizar and Bechtel) 301
- Community**  
A case study on expanding the concept of caring from individuals to communities (Smith-Campbell) 405  
Meanings of community in a community health center (Drevdahl) 417
- Community health centers**  
Meanings of community in a community health center (Drevdahl) 417
- Community health nursing; see also Public health nursing**  
Articulating the culture and tradition of community health nursing (SmithBattle et al) 215  
Bringing the population into focus: a natural development in community health nursing practice. Part I (Diekemper et al) 3  
Building community health nursing in the People's Republic of China: a partnership between schools of nursing in Ottawa, Canada, and Tianjin, China (Edwards et al) 140  
Community health nursing practice and the Roy Adaptation Model (Dixon) 290  
Sharpening the focus on populations: an international community health nursing approach. Part II (Diekemper et al) 11
- Community Health Workers**  
Community Health Workers: examining the helper therapy principle (Roman et al) 87
- Confidentiality**  
Issues in balancing teenage clients' confidentiality and reporting statutory rape among Kansas Title X Clinic staff (Miller et al) 329
- Continuing Care Programs**  
Reconstructing organizational culture: a process using multiple perspectives (Cameron and Wren) 96
- Contraception**  
Intergenerational concepts of adolescent sexuality: implications for community-based reproductive health care with Haitian immigrants (DeSantis et al) 102
- Coping; see Adaptation, psychologic**
- Costs and cost analysis**  
Alternative measures of resource consumption in home care episodes (Madigan and Fortinsky) 198
- Counseling**  
The effectiveness of health promotion counseling to family caregivers (Chen) 125
- Culture**  
Articulating the culture and tradition of community health nursing (SmithBattle et al) 215  
Conducting focus groups cross-culturally: experiences with Pacific Northwest Indian people (Strickland) 190  
"God brought all these churches together": issues in developing religion-health partnerships in an Appalachian community (Simpson and King) 41
- Death**  
Surveillance of suicidal behavior in Kitsap County, Washington: a retrospective study (Simmons et al) 337
- Differentiated practice**  
Improving client outcomes through differentiated practice: a rural nursing center model (Anderko et al) 168
- Disasters**  
County drought relief: a public health nurse's problem (Wharton) 307 (Historic article)  
The public health nurse in tornado relief (MacMaster) 72 (Historic article)
- Disease management**  
The Venn diagram: a metaphor for life (Shamansky and Graham) 1 (Editorial)
- Domestic violence**  
Public health nurses' responses to domestic violence: a report from the Enhanced Domestic Abuse Intervention Project (Shepard et al) 359
- Drought**  
County drought relief: a public health nurse's problem (Wharton) 307 (Historic article)
- Editorials**  
Academic challenge: teacher burnout . . . (Graham) 309  
Integrative health care: the revolution is upon us (Schroeder and Likkell) 233  
Millennium mania (Shamansky) 155  
Saving our stories (Abrams) 77  
Telehome care: technology triumphs (Rinke) 375  
The Venn diagram: a metaphor for life (Shamansky and Graham) 1
- Education**  
The effectiveness of health promotion counseling to family caregivers (Chen) 125  
Peer Education Project with persons who have experienced homelessness (Connor et al) 367
- Education, nursing**  
Academic challenge: teacher burnout . . . (Graham) 309 (Editorial)  
Expanding urban learning experiences for non-traditional students (Shiber) 228  
Interprofessional education for undergraduate students (Russell and Hymans) 254  
An oral health promotion module for the primary health care nursing course in Acornhoek, South Africa (Ogunbodede et al) 351  
The Venn diagram: a metaphor for life (Shamansky and Graham) 1 (Editorial)
- Elderly; see Aged**
- Elderly In Need Program**  
A model for building collective capacity in community-based programs: the Elderly In Need Project (Moyer et al) 205
- Emotional status**  
The effects of a walking exercise program on physical function and emotional state of elderly Korean women (Shin) 146
- Ethnic factors**  
Predictors of health promotion lifestyle among three ethnic groups of elderly rural women in Taiwan (Wang) 321
- Exercise**  
African American women's experiences with physical activity in their daily lives (Nies et al) 23  
The effects of a walking exercise program on physical function and

emotional state of elderly Korean women (Shin) 146

## Finland

Changes in the work and motivation of staff delivering home care services in Finland (Laamanen et al) 60

## Focus groups

Conducting focus groups cross-culturally: experiences with Pacific Northwest Indian people (Strickland) 190

## Food for Heart Program

A cholesterol intervention program for public health nurses in the rural Southeast: description of the intervention, study design, and baseline results (Keyserling et al) 156

## Forms

The Client Encounter Form: conceptual development, reliability analysis, and clinical applications (Bear and Holcomb) 79

## Guidelines

Public health nursing practice guidelines: an evaluation of dissemination and use (Lia-Hoagberg et al) 397

## Haiti

Intergenerational concepts of adolescent sexuality: implications for community-based reproductive health care with Haitian immigrants (DeSantis et al) 102

## Health promotion

A comparison of urban versus rural experiences of nurses volunteering to promote health in churches (Chase-Ziolek and Striepe) 270

The effectiveness of health promotion counseling to family caregivers (Chen) 125

An explanatory model of variables influencing health promotion behaviors in smoking and nonsmoking college students (Martinelli) 263

"God brought all these churches together": issues in developing religion-health partnerships in an Appalachian community (Simpson and King) 41

Health-enhancing behaviors correlated with breastfeeding among a

national sample of mothers (Pesa and Shelton) 120

Predictors of health promotion lifestyle among three ethnic groups of elderly rural women in Taiwan (Wang) 321

Public health nursing in Japan: new opportunities for health promotion (Murashima et al) 133

Tracking of avoidance of alcohol use and smoking behavior in a fifth grade cohort over three years (Felton et al) 32

## Health services needs and demands

Quantifying client need for care in the community: a strategy for managed care (Hays et al) 246

## Heart diseases

A cholesterol intervention program for public health nurses in the rural Southeast: description of the intervention, study design, and baseline results (Keyserling et al) 156

## Helper therapy

Community Health Workers: examining the helper therapy principle (Roman et al) 87

## Historic articles

County drought relief: a public health nurse's problem (Wharton) 307

The public health nurse in tornado relief (MacMaster) 72

## Historical records

Saving our stories (Abrams) 77 (Editorial)

## Home care services

Alternative measures of resource consumption in home care episodes (Madigan and Fortinsky) 198

Changes in the work and motivation of staff delivering home care services in Finland (Laamanen et al) 60

Implementing nurse home visitation programs (Hanks and Smith) 235

A survey of home nursing services in Taiwan (Shyu et al) 432

Telehome care: technology triumphs (Rinke) 375 (Editorial)

## Homelessness

Peer Education Project with persons who have experienced homelessness (Connor et al) 367

## Hospitalization

Use of the SF-36 to identify community dwelling rural elderly at risk for

hospitalization (Benjamin-Coleman and Alexy) 223

## Immigrants

Evaluation of the effectiveness of a directly observed therapy program with Vietnamese tuberculosis patients (Mac et al) 426

Intergenerational concepts of adolescent sexuality: implications for community-based reproductive health care with Haitian immigrants (DeSantis et al) 102

## Immunization

Public health nursing and immunization surveillance (Zahner) 384

## Indians, American

Conducting focus groups cross-culturally: experiences with Pacific Northwest Indian people (Strickland) 190

## Infant care

The adolescent parenting program: improving outcomes through mentorship (Flynn) 182

Social support provided by public health nurses and the coping of first-time mothers with child care (Tarkka et al) 114

## Infant nutrition

Health-enhancing behaviors correlated with breastfeeding among a national sample of mothers (Pesa and Shelton) 120

## Integrative health services

Integrative health care: the revolution is upon us (Schroeder and Likkell) 233 (Editorial)

## Interprofessional education

Interprofessional education for undergraduate students (Russell and Hymans) 254

## Japan

Public health nursing in Japan: new opportunities for health promotion (Murashima et al) 133

## Korea

The effects of a walking exercise program on physical function and emotional state of elderly Korean women (Shin) 146

## Law enforcement

Issues in balancing teenage clients' confidentiality and reporting

- statutory rape among Kansas Title X Clinic staff (Miller et al) 329
- Lifestyle**  
Predictors of health promotion lifestyle among three ethnic groups of elderly rural women in Taiwan (Wang) 321
- Managed care programs**  
The development and implementation of a population-based intervention model for public health nursing practice (Kosidlak) 311  
Quantifying client need for care in the community: a strategy for managed care (Hays et al) 246
- Mentors**  
The adolescent parenting program: improving outcomes through mentorship (Flynn) 182
- Mexico**  
Health and quality of life within Colonias settlements along the United States and Mexico border (Davidhizar and Bechtel) 301
- Millennium**  
Millennium mania (Shamansky) 155 (Editorial)
- Models**  
Community health nursing practice and the Roy Adaptation Model (Dixon) 290  
The development and implementation of a population-based intervention model for public health nursing practice (Kosidlak) 311  
An explanatory model of variables influencing health promotion behaviors in smoking and nonsmoking college students (Martinelli) 263  
Improving client outcomes through differentiated practice: a rural nursing center model (Anderko et al) 168  
A model for building collective capacity in community-based programs: the Elderly In Need Project (Moyer et al) 205
- Mom Empowerment, Too!**  
Mom Empowerment, Too! (ME2): a program for young mothers involved in substance abuse (Baldwin et al) 376
- Mothers**  
The adolescent parenting program: improving outcomes through mentorship (Flynn) 182
- Health-enhancing behaviors correlated with breastfeeding among a national sample of mothers (Pesa and Shelton) 120
- Mom Empowerment, Too! (ME2): a program for young mothers involved in substance abuse (Baldwin et al) 376
- Social support provided by public health nurses and the coping of first-time mothers with child care (Tarkka et al) 114
- Motivation**  
Changes in the work and motivation of staff delivering home care services in Finland (Laamanen et al) 60
- Need for care; see Health services needs and demands**
- Neglect**  
Public health nursing in Children's Protective Services (Smart) 390
- Northwest Indians; see Indians, American**
- Nursing Minimum Data Set**  
Describing parish nurse practice using the Nursing Minimum Data Set (Coenen et al) 412
- Ontario; see Canada**
- Oral health**  
An oral health promotion module for the primary health care nursing course in Acornhoek, South Africa (Ogunbodede et al) 351
- Organizational values**  
Reconstructing organizational culture: a process using multiple perspectives (Cameron and Wren) 96
- Ownership**  
Perceived ownership in a community coalition (Armbruster et al) 17
- Parenting; see also Mothers**  
The adolescent parenting program: improving outcomes through mentorship (Flynn) 182
- Parish nurse practice**  
Describing parish nurse practice using the Nursing Minimum Data Set (Coenen et al) 412
- Patient outcome**  
Improving client outcomes through differentiated practice: a rural nursing center model (Anderko et al) 168
- Peer Education Project**  
Peer Education Project with persons who have experienced homelessness (Connor et al) 367
- Perceptions**  
Perceived ownership in a community coalition (Armbruster et al) 17
- Physical activity; see Exercise**
- Population studies**  
Bringing the population into focus: a natural development in community health nursing practice. Part I (Diekemper et al) 3  
The development and implementation of a population-based intervention model for public health nursing practice (Kosidlak) 311  
Sharpening the focus on populations: an international community health nursing approach. Part II (Diekemper et al) 11
- Poverty**  
Community Health Workers: examining the helper therapy principle (Roman et al) 87  
"God brought all these churches together": issues in developing religion-health partnerships in an Appalachian community (Simpson and King) 41  
Health and quality of life within Colonias settlements along the United States and Mexico border (Davidhizar and Bechtel) 301  
Implementing nurse home visitation programs (Hanks and Smith) 235
